

Application for Marketing Coordinator

Dear Hiring Manager,

I am writing to apply for the position of Marketing Coordinator advertised on your careers page. Thank you for considering my application.

I am excited to apply because your company has a reputation for creative campaigns and for giving early-career marketers real responsibility.

In my current role I have managed social media channels, coordinated events and helped to grow our email list by more than forty percent over the past year.

I enclose my CV, which sets out my experience in more detail, and I would welcome the chance to discuss how I could contribute to your team.

Thank you again for considering my application. I look forward to hearing from you.

Yours faithfully, Sam Taylor.
